MATRICS

We share with great excitement the achievements of our 18 matric learners from 2018. A 100% pass rate was achieved, 15 subject A's, 1 A-average and 2 B-averages. 70% of the 18 learners received a Bachelor's certificate. We are very proud of these learners and would like to encourage our current Grade 12's to commit to a dedicated work ethic from day one this year.
