Dear Parents, Guardians, Learners and Educators

MID-TERM BREAK : 21 – 25 SEPTEMBER

I wish to thank all our learners and educators for their combined efforts in staying current with (in some cases ahead of) their curriculum. With that in mind and because of the unusual length of term 3, we have decided to allot a mid-term break from 21 to 25 September.

Please note this only applies to grades 8 to 11 as the grade 12's will be busy writing their Prelim exams.

The office will be open from 09:00 till 12:00 each day, except for the public holiday (Thursday, 24th September).

To date we are not aware of any of our learners, educators or staff who have tested positive since returning to school. I am happy to report that many of our learners who originally opted for remote learning are returning to school, perhaps the shift to Level 2 had an impact on this. We are welcoming them back and assure you of our commitment to successfully completing this academic year.

Best Regards

MR AR BASSON
