- At least ONE of the two languages must be taken as a HOME language
- Mathematics is subject to a satisfactory mark of 60% required

Please check the subjects your child will take for Grade 10, taking the following into consideration:

- It is imperative and critical for a parent to note that learners wishing to attend a university need to be especially certain of their child's subject choices. The onus rests on the parent to ensure the applicable career research has been done for their child's subject choice.
- Mathematics may be a pre-requisite for a tertiary course and Mathematical Literacy may jeopardise this, please confirm this first.
- Learners may be encouraged to take **either** Art Design OR Computer Application Technology as their 7th subject **and** still qualify for university entrance.
- Should learners wish to take **both** Art-Design **and** Computer Application Technology and still obtain University entrance, it must be taken as an **8th subject**.
- **If Immigrant: Apply for Afrikaans Exemption ☐ and choose another subject. Learner must have 7 subjects.**
