8 July 2022

Dear HHS parents

I trust that you have had a safe and enjoyable July holiday season and that soon the learners will be ready to return to school.

Mr Bertus Venter has handed in his resignation to the school. Our administration has applied their minds, placing the learner's needs foremost, in order to find the best way forward.

Therefore, I am informing you that the following change will take place from the beginning of the 3rd term.

- Mrs Cherie Mason, who has previously taught Science for 8 years and has the applicable academic qualification, will take over the Grade 10-12 Science curriculum. Mrs Mason has been actively involved in moderation over the past few years, I am confident she will competently complete this academic year with your children.
- Ms Sterley will be taking the Grade 8-12 Mathematics learners and in order to adjust her load, she will relinquish the Grade 9A Maths learners to Mrs van Wyk.
- Mrs van Wyk will also take over the Grade 8 & 9 Creative Arts, which she has taught in the past.
- Mr Andrew Mason will assist by taking the Grade 8 & 9 Technology learners for the remainder of this year.
- Mrs Elmarie Venter will teach LO to Grade 9 & 10.

Our timetable has changed, and will be sent out as soon as it has been finalized. Will also be updated on our website.

Once again allow me to assure you that your child's academic success, developing them to their full potential, is our foremost concern. My door is open should you wish to discuss something with me and again I thank you for partnering with Helderberg High as we strive together in educating your child.

Yours faithfully

pp
MR AR BASSON
