NEWSFLASH

11 June 2019

Dear Parents

The 2nd term has nearly reached its closure and our learners have nearly completed their exams. I trust that they will be rewarded for their efforts and their report cards reflect such.

I bring a few items to your attention for the new term:

- Reminder of our Meet-a-Teacher evening at **18:00 on Tuesday, 16 July 2019** in the Helderberg High School Arena.
- Grade 9's have a very short time left before the final exams. Parents need to encourage their children to stay focussed and work hard. Extra effort will be needed if they wish to excel. Be sure to use your time wisely in preparation for your final exams which are just around the corner.
- Parents are reminded that school accounts need to be up to date prior to the end of term. Learners with overdue fees will NOT receive their reports and not be able to return to school until their account has been settled. **Thank you** to all parents who faithfully keep their accounts up to date.
- All foreign students must ensure that their visas are up to date and copies dropped off at Reception.
- A late penalty fee of R250 will be charged to parent's account when pupils arrive after the official date for the reopening of school, ie. Tuesday, 9 July 2019. We encourage you to support your child and your school by ensuring children return to school timeously so that the education process can proceed immediately, with little disruption.
- On **Friday, 14th June 2019**, the last day of school, the reports will be handed out from 8:00 until 10:00. Those learners who do not collect their reports, may collect them on the 1st day of the new term as we will not be posting or emailing any reports.
- We want to wish Pastor and Mrs Sauls and the Outreach team all the best. They will be traveling to Upington for their outreach project and I am sure it will be a memorable experience for the learners.

We wish you and your family a restful break and a **safe return on Tuesday, 9th July 2019.**

Yours faithfully

Mr A R Basson
Principal
