Dear Parents/Guardians

REPORT NEWSLETTER

CLOSING 1ST TERM

The first term is drawing to an end already. We trust that the holiday will be a time of relaxation for both learners and parents. If you are travelling, please travel safely and have an enjoyable break.

You are reminded that the Helderberg High School will close this term on **Thursday, 20 March** at 11:00. The reports will be handed out at the end of the school day. Kindly ensure all school accounts are up to date before 20 March in order to receive report cards.

2nd TERM

The second term begins on Wednesday, April 8, at 07:30. Please ensure that your son's hair complies with the school's policy on this day. Kindly note that a Late Arrival fee of R250 will be charged for learners who do not return to school on 8 April.

We will also be hosting a Meet-a-Teacher Evening on Tuesday, April 15, at 18:00. This event provides a wonderful opportunity for our new parents to meet the staff, and for all parents to discuss their child's progress with the Educators. On the same evening is a very important presentation for all the Grade 9 learners and parents regarding subject choices for Grade 10 next year, please don't miss this very important information session.

SWIMATHON

We had our Swimathon on Thursday 20 February as our fundraiser for term 1. We want to thank our parents for supporting the event and the learners for their part in raising R 14 304.00

🕒 Grade 8 – Collected the highest donations

🕒 Grade 9 – Swam the most lengths

To celebrate their outstanding efforts, both Grade 8 and Grade 9 students will have the day off on 18 March.

COMPLETION OF PROJECTS

We are delighted that our multipurpose court project has been completed, and we started with tennis at the beginning of this term. We encourage learners to join our Tennis practice.

Once again thank you for your support and prayers for Helderberg High School.

NEW WATER FILTER CHILLER INSTALLED!

We are excited to share that the school has installed a two-tap water filter chiller, ensuring our learners have access to safe, cold water throughout the day. This addition allows students to easily refill their bottles, stay hydrated, and enjoy clean drinking water. We encourage everyone to make use of this facility and stay refreshed! Thank you to the PTA for their contribution to the funds to complete this project!

ANNUAL SCHOOL BANQUET

Our annual school banquet, a much-anticipated event offering fun, laughter, and a well-deserved break from the term's stresses, took place on March 11. The evening was filled with joy, delicious food, and great company, all made possible by the hard work and dedication of the Grade 11 students under the guidance of Mrs. Hurlow. A heartfelt thank you to everyone involved for making the event such a success!

Regards

Mr A R Basson
